

Mind Mechanics

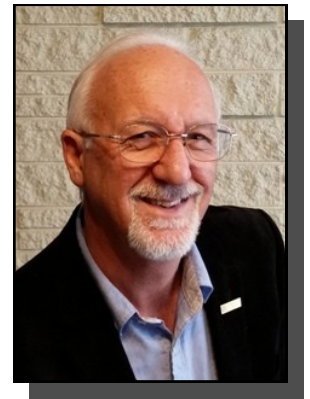

Thoughts, Words & Actions

60-Minute Sales & Marketing Master-Class

Grant Boddington

NZ's own master of the

Power of Positive Suggestion!

Are you having a 2023 Sales & Marketing Conference?

Add Grant Boddington to your programme and be mesmerised and entertained by this **unique** professional speaker.

Grant presents a fresh approach to effectively fine-tuning the structure of your **thoughts** & **words** ... to enhance your **actions** - *as only a Registered Clinical Hypnotherapist can!*

He provides **practical information** in **memorable ways** to help it stick in the minds of your salespeople; to give them a **powerfully convincing advantage** with their clients!

Because this is a live audience presentation/performance there are many entertaining and intriguing demonstrations, practical exercises, and useful handouts for all attendees.

So whether you're having a small group meeting in your company office, or a full company conference in a large hotel, contact Grant today about delivering his very special 60-minute **Mind Mechanics**[®] presentation for your staff.

Grant is free to travel all around NZ; preferring to drive himself to most North Island destinations. His fees and expenses are usually far less than other speakers, because Grant is now semi-retired.
